

Homogenizer Mixer

Heating, Blending, Homogenizing

**SPECIAL CONSTRUCTION, HIGH
EFFECT, NO DEAD ANGLE
UNIFORM MIXTURE.**

Long Service Life

Strong Production Capacity

Wide Range Of Applications

Homogenizer Mixer

APPLICATIONS

Facecream

Katchap

Daily Chemiact

Dairy Products

SPECIFICATIONS

Profile/type	Single layer tank	Double layer tank	Three layer tank
Material	SS304 or SS316L		
Volume	50L-30T (Customized)		
Tank Type	Vertical type/Horizontal type/Mobile type		
Heating Way	Electric/Steam Heating		
Inside Finsh	Mirror polished Ra<0.4um		
Outside Finish	2B or Satin Finish		
Stirrer Type	impeller, Anchor, Turbine , High shear, magnetic mixer, Anchor mixer with scraper		
Power	0.55~55KW		
Voltage	110V~480V		
Top Head Type	Dish top, Open lid top, Flat top		
Bottom Type	Dish bottom, Conical bottom, Flat bottom		
Parts details	1.Quick open manhole / Pressure manhole 2.Various types of CIP cleaners 3.Sterile respirator 4.Adjustable Legs 5.Inlet and Outlet sanitary valve 6.Thermometer (According to customer requirements) 7.Paddle blender .(According to customer requirements) 8.Liquid level meter and lever controller (According to customer requirements) 9.Ladder		
Application	Food, Beverage, pharmacy, biological,honey, chocolate, alcohol , chemical industry etc		

Stainless Steel

High Temperature
Resistance
