

ACCESSORIES

PLATFORMS

Industrial work platforms provide a safe working environment for workers and help improve their job performance and efficiency.

LADDERS

Rolling ladders come equipped with casters that can swivel in any direction and can be moved from one place to another.

ACCESSORIES

TROLLEYS

The heavy duty design provides a versatile hand trolley that is capable of working with heavy loads. Whether you are transporting heavy boxes or irregular loads or simply using the trolley truck for pick and pack applications.

FEATURES

As TigonTronix, we take pride in providing high-quality products that meet the needs of our customers. Here are some of the key features that we offer in our industrial accessories:

Industrial platforms:

- Made from materials such as steel and aluminum for durability and longevity.
- Non-slip surface to prevent accidents and ensure safety.
- Can support heavy loads and multiple workers at the same time.

Industrial ladders:

- Constructed with sturdy materials to withstand heavy use and weight.
- Anti-slip treads for safety and stability.
- Available in various heights and configurations to suit different tasks.
- Foldable for easy storage and transportation.

Trolleys:

- Made from durable materials such as steel and aluminum.
- Smooth-rolling wheels for easy maneuverability.
- Can support heavy loads and multiple items at once.
- Available in different sizes and configurations to meet various needs.
